

Annual Meeting of the UEMS Section for Infectious Diseases, 10 September 2016, Budapest, Hungary

- UEMS ID Section Officers- Håkon Sjørusen was elected as new EBID member at large. Finn Trunk Black has retired from the position of EBAID coordinator. Karin Lindahl has been elected as EBAID member at large. Bente Bergersen, Bojana Beović and Christian van Delden were suggested as co-opted members of EBID during process of reviewing new curriculum and training requirements.
- Membership news- some countries that are Full UEMS Members still don't have delegates in ID Section and some countries don't have second delegate. Davorka will write to National Medical Associations and National ID Societies to try to get delegates for these countries.
- UEMS is planning to provide a directory of validating sites for training in various specialties. We want to be consulted for infectious diseases, and we will try to obtain sites from affiliated countries. We could cross it with the list of ESCMID centres (Davorka and Jean Paul)
- New European Training Requirements for the Specialty of Infectious Diseases and Curriculum are to be submitted to UEMS Central for the spring meeting 2017 in Brussels. First draft will be circulated among delegate in October 2016.
- Nicholas Beeching suggested to collaborate with UEMS MM, ESCMID, and EUCIC to try to produce a position paper on professional challenges and opportunities in clinical microbiology, infectious diseases and infection control in Europe.
- Participate in ESCMID professional affairs meeting during next ECCMID in Vienna. Nicholas Beeching suggested having session/workshop on training in infection during next ECCMID (collaboration between UEMS ID & MM Sections, TAE); Maurizio Sanguinetti will discuss this possibility with the rest of ESCMID Executives
- Collaboration between EUCIC and UEMS ID&MM Sections- UEMS ID Section will propose formation of new Thematic Federation on Infection Control in UEMS (Jean Paul will contact UEMS secretary about rules, Nicola Petrosillo will coordinate with EUCIC)
- EBAID- "Position paper on current aspects of sponsoring in accredited CME" has been approved by all delegates
- Finances- money from EAACME appraisals still in the Internal Fund, next year we should have 19 000 Euros reimbursed
- Bojana Beović kindly volunteered for organizing the annual meeting in Ljubljana. Proposed date is 16th September 2017, dinner & unformal gathering on 15th September 2017.
